### MAILBOX PAINTING & TUNE UP REMINDER

Dear Residents,

As a friendly reminder, if your mailbox is in need of reconditioning, please remember you can contact Beautiful Mailbox (for painting, new numbers, B decal and general tune-up). Contact information and special resident pricing details are noted in the flyer below.

Beautiful Mailbox is the initial installer of the mailboxes at The Bridges, with the original color and decal specs. As we approach the new year, management will be inspecting all mailboxes in accordance with our Association rules.

We appreciate everyone's efforts in helping to maintain the prestige aesthetic of our community.
